28 February 2018

Dear Parents/Carers

Year 11 - Essential Information Evening

Thank you for your unwavering support of our Year 11 students. We have been impressed with the commitment and effort many of them have put into their studies in the last term; attending boosters during and after school and embarking on their revision timetables at home.

As a final opportunity to provide the peace of mind that everything has been done to support your son/daughter, please join us for a special **Year 11 Information Evening** on **Thursday 22 March 2018, 6.00pm-7.00pm in the Large Hall**. We recognise that our Year 11s are now, arguably, in the most important term of their academic lives and are having to manage the pressures of external examinations, the results of which will affect their future.

The evening will enable us to:

- Explain how we are reassuring and preparing your son/daughter for their examinations
- Explain very clearly our expectations of conduct during examinations
- Provide extra ideas on revision techniques and other ways in which you can support your son or daughter
- Address any concerns

We really do believe our Year 11s have the ability to do exceptionally well this Summer and this evening provides our last main opportunity to meet you before their GCSE examinations.

This is an invaluable and essential evening and we naturally anticipate all parents would wish to attend, but if, however, it is not possible please do contact either myself or your son/daughter's tutor for further information.

Yours sincerely

Miss K Green
Head of Year 11

Headteacher: Guy Nichols BSocSC (Econ), NPQH
