9 November 2018

Dear Parent/Carer

Sixth Form Open Evening

We warmly invite you to attend the **Sixth Form Open Evening on Thursday 17 January 2019**, starting with a presentation at 7.00pm in the Small Hall.

During the evening there will be the opportunity for you to see all we have to offer Post 16, including meeting our very experienced Sixth Form teachers, viewing our excellent facilities and learning about the wide range of enrichment opportunities, first class support and guidance that we have to offer. Many of our current Sixth Form students will also be attending the evening and will be very happy to answer any questions you may have.

We pride ourselves on high quality teaching, where students enjoy positive relationships with teachers who really care about the progress and development of all our students. Our individualised support, small class sizes, individual mentoring and private study support ensures all our students go on to university, higher-level apprenticeships or employment.

We believe that every student matters and, to this end, we tailor what we do to meeting the needs of every individual. We are able to offer a wide range of academic and vocational Level 3 courses that are suitable for all students who achieve five or more GCSEs graded 4 or above. We do our best to offer personalised routes to try and meet the needs of all students who wish to study in our Sixth Form at Post 16.

To help the students make informed decisions about subject choices, the open evening will be followed up by **individual interviews** with Miss. Shepperd, Head of Sixth Form during the Spring Term.

Additionally, I would like to highlight the importance of working hard and doing well in the upcoming **Year 11 mocks**. Answering questions under pressure and testing knowledge in a subject is great practice. Performance in all subjects will be a great indicator on how students are doing now, it will help identify gaps in knowledge and develop vital exam technique leading to success in their real GCSEs. Furthermore, by securing good predicted grades, students will give themselves more options when it comes to selecting A-level and BTEC courses.

We look forward to seeing you at our Open Evening. In the meantime, please look through the prospectus on the school website, and encourage students to discuss the choices with their tutors and teachers. If you have any queries or would like any additional information, please contact me by email or phone.

Yours sincerely

E Shepperd
Sixth Form Head of Learning

Headteacher: Guy Nichols BSocSC (Econ), NPQH
