Dear Parents/Carers

Further to our recent letter about school uniform, we would like to remind you that we are taking a tough line on school uniform and our expectation is that all students wear the correct uniform from September 2019. Please make sure your son/daughter is wearing the correct uniform from the first day of term in September.

Re: School Skirts

You will no doubt, be aware that we have had an ongoing problem with the current school skirts in that we regularly receive complaints from parents about them being worn far too short.

We have listened to the views of parents and Governors made the decision to change the school skirt with effect from 1 September 2019. This means **all** school skirts must be the new design with effect from September 2019 and we expect our girls to be wearing the new design.

Mindful to protect students and from a safeguarding position, short skirts are a cause for concern. We are sure that you will appreciate this change will not only make the uniform much smarter but will also address the issues of skirts being worn too short.

The new design must be knee length and the school name and badge must be visible on all skirts.

We would also like to remind all our parents of all our school uniform regulations (please see uniform list on the reverse of this letter) and we will expect all students to wear the correct uniform at all times. I would particularly like to highlight the fact that black, not white socks must be worn.

PLEASE NOTE: Students will be sanctioned if they are not wearing the correct uniform and will risk being placed in isolation

Thank you in advance for your full support in ensuring your son/daughter is wearing the correct uniform.

Yours sincerely

Mr Guy Nichols
