Dear Parent/Carer

SEND Parent Focus Group

As part of our continued drive to be a fully inclusive school, we are looking to set up an SEND Parent Focus Group. The purpose of this group will be to shape the future of SEND (Special Educational Needs and Disability) provision at The De Montfort School as well as offering support and training to parents and carers.

The initial meeting for the focus group will be on Tuesday 24 September 2019 at 6.00pm in the Support Hub and all subsequent meetings will be on the second Tuesday of each half term in the same location.

We would like as many parents and carers to be involved as possible regardless of whether or not you have a student with SEN so we can ensure our provision meets the needs of the community.

If you would like to be involved, please register your interest by contacting the SENDCo on the details below or by popping along to any of the sessions.

Yours sincerely

Nancy Wilkin-Mead
