Dear Parents/Carers

After a very busy start to this half term, I wanted to give you as much notice as possible about a closure date and time at the very end of the autumn term.

We need to have some emergency electrical work carried out at school and to enable the contractors to complete this work with the least amount of disruption to the school, we need to close school half a day early at Christmas. We have considered this carefully but unfortunately, have no option. If we do not have the work completed, we stand the risk of the power failing in school and this would mean a closure which could go into a significant number of days.

School will close at 3.30pm on Thursday 19 December 2019 and this is therefore when students finish school for the Christmas holidays.

Students will return to school following the Christmas holidays on **Tuesday 7 January 2020.**

I would like to thank you for your understanding and support in this matter.

Yours sincerely

Mr Guy Nichols
