Dear Sports Centre user

As we are all aware, we are entering into unknown circumstances, one of which we have probably never experienced before.

The latest guidance that schools have received, is to restrict all additional visitors which includes parents entering our facilities.

Due to this guidance we have to, with immediate effect, operate solely as a school and all outside community use is temporarily suspended.

I have spoken to many of you in person and fully appreciate for some of you that this is one of your dedicated income streams. We have no idea for how long we are all going to be restricted.

I look forward to returning to our normal day to day experiences, but until then, keep safe and look after those who are more vulnerable than yourselves.

Best regards

James Cox and Craig Pitcher
