4 November 2020

Dear Parents/Carers

## **Re: School Meals - Hot Food Offering**

We will be reintroducing hot meals for students from the week beginning 9 November 2020. We feel this is particularly important so that students can have a hot meal as we move onto the cold winter months.

The meals will have to be organised in a very specific way to ensure we retain the secure year group bubbles. The following system will be in place:

- Students will be asked on a Friday if they would like to order school meals for the following week
- Students will need to order meals for the whole week at a time. They cannot opt for meals on certain days of the week and packed lunches on other days.
- Students will have to decide if they wish to have Option 1 or Option 2 from the attached menu for the full week as they are not able to change between the options during the week
- Meals must be paid for in advance on Parent Pay and the cost is £11.50 for the week. If meals are not paid for in advance, students will not be able to have hot or ordered meals that week
- If your child receives free school meals, they will be able to place an order on a Friday for hot food or a packed lunch for the following week from the attached menu

Meals will be delivered to the year group bubbles and I am sure students will enjoy having the opportunity of once again having a hot meal at lunch time.

Yours sincerely

Guy Nichols
