

10 February 2021

Dear Parent/Carer

TDMS Virtual Talent Show

At The De Montfort School we know that our students have many amazing talents. We are aware that the current lockdown is proving difficult for so many of our students and we are extremely proud of how hard they are working and how resilient they are. As a school, we are continually looking to see what else we can do to further support our students to lift their spirits and give them opportunities to engage with each other. We have therefore decided to launch the first ever TDMS Virtual Talent Show which will allow our brilliant students to showcase their talents and allow us all to focus on something uplifting and exciting.

The Talent Show will be open to all members of our school community, from students in Year 6, right up to those in Year 13.

Each week, there will be new categories advertised which all the students can enter. So far the categories are:

- Vocal performance
- Instrumental performance
- Dramatic performance
- Comedy
- Dance
- Short film making
- Photography
- Magic
- Pets with talent
- Poetry
- Miscellaneous talents

Students will upload their entries via the school website <http://www.tdms.worcs.sch.uk/talentshow> and parents and carers are asked to complete the permission form. Full details can be found on the school website.

This will be a showcase for all the amazing talent that we have in school. It will also be a way of helping all of our students to feel part of the whole school community during these uncertain times. The TDMS Virtual Talent Show will be launched during tutor time and students can start planning and rehearsing their entries over half term.

We are really excited about this and cannot wait to start receiving entries. Please do not hesitate to contact us if you have any questions. Thank you once again for all your support during these times.

Yours sincerely

The Performing Arts Team
