

The De Montfort School

UNLOCKING YOUR CHILD'S POTENTIAL

5 March 2021

Dear Parent/Carer

As we welcome your son/daughter back to school, I would like to take this opportunity to thank you for your continued support and ask you to congratulate your son/daughter for their engagement with remote learning over the last few months. I look forward to seeing them back in school and engaged in their lessons.

This is a very exciting time for your son/daughter as they look towards their future, and over the coming weeks the process of choosing GCSE options will be taking place. We will be providing lots of support for your son/daughter throughout the options process, which will include hosting our online Parents' Evening on Thursday 25 March. Information and support will be offered by form tutors, Miss Morton and myself regarding course selection, with information posted onto the school website and our dedicated Google online platform.

I will be sending you further details of the options process including details for the Parents' Evening over the next few weeks.

Yours sincerely

Mr Lee Lungley
Assistant Head and Head of Science Faculty
