UNLOCKING YOUR CHILD'S POTENTIAL

23 March 2021

Dear Parents/Carers

Year 11 Parents' Evening via MS Teams

Firstly, may I say how pleased we are to have your son/daughter back in school and how impressed we are with them for settling back into their lessons and school life.

Secondly, I would like to inform you that there will be a meeting for parents/carers and students of Year 11 on Tuesday 30 March, from 4.30pm to 7.30pm, to enable discussion of your son/daughter's progress with subject staff. We would like all students to attend the meeting with their parent/carer. All meetings will be held online via MS Teams due to the current Covid-19 situation.

These meetings are an important way to help students make further progress as we enter this critical period of course assessment. Please feel free to ask the following: how your son/daughter is performing in relation to their potential; your son/daughter's strengths and achievements; the areas for development for your son/daughter; and how you can help. Appointments are booked via the school website. Please follow the link below to make a booking:

We will be speaking to students during tutor time this week and showing them how to access Microsoft Teams. It is very simple to use and can be accessed on a mobile phone, tablet or laptop. We have created a user-friendly guide to support you during this evening. All information is available on our website. To access this please click the link below:
