UNLOCKING YOUR CHILD'S POTENTIAL

30 April 2021

Dear Parent/Carer

Your child has expressed an interest to attend our extra-curriculum Cooking Club. This will run after school on Tuesdays from 3.05pm - 4.05pm in the food room, LG3. All ingredients will be provided for your child to create a food product to bring home. We ask that you provide your child with a suitable container to bring their finished product home with them.

As you may be aware, year groups are still only being taught within their year bubbles. Therefore, in order to maintain this practice, we will have to split the club into week A and Week B. Week A will be Year 6s and Week B will be Year 7s only. The dates for the groups are:

<b>Week A - Year 6</b>	<b>Week B - Year 7</b>
11 May	4 May
25 May	18 May

As with all school activities, students will be expected to uphold the school values and behave in the Cooking Club as if they are in a school lesson. This is to ensure it is an enjoyable activity for all involved.

As we have a waiting list of students keen to take part, names will be selected at random up to the maximum number for each group. In order to avoid disappointment to students on the waiting list, should your child not turn up for their allocated group without any notification, they will not be able to remain in the club and we will offer their place to another student on the waiting list. I hope you understand, but we have to ensure we are able to offer as many places to students keen to take part, and wish to avoid students not arriving for the session without a valid reason.

If you are happy for your child to attend the afterschool Cooking Club, please complete the form below and ask your child to bring it to school, and hand to their form tutor.

Yours sincerely

Ms Thomas  
Head of Food Preparation and Nutrition
