Dear Parents/Carers

Year 12 Curriculum

All students have lost valuable curriculum time during lockdown. To address this, we will be adjusting the timetable after Whitsun to increase taught curriculum time for Year 12 students. This is possible by recycling gained time after Year 11 and 13 have finished their schooling for the year.

When students return to school after half term, all Year 12 A-level and Level 3 applied courses will have an extra double lesson each fortnight. This will help to fill in any gaps in knowledge so that students are well prepared for Year 13. Almost all existing lessons will retain their current timings. Additionally, it is now expected that all students will remain in school for private study sessions.

It is our intention to be able to release new timetables well before the end of this half term.

Furthermore, all students will be expected to be in tutor time every day. We will be following a programme designed to fully prepare them for their upcoming Year 12 exams which are scheduled for the week beginning 21st June. Exam timetables will be issued to students shortly

If you require any further information, please contact the school.

Yours sincerely

Mr T J Dolan
Deputy Head (Curriculum)
