UNLOCKING YOUR CHILD'S POTENTIAL

16 June 2021

Dear Parent/Carer

Year 9 Parents' Evening via School Cloud

I would like to inform you that there will be a meeting for parents/carers and students of Year 9 on Thursday 24 June, from 4.30pm to 7.30pm, to enable discussion of your son/daughter's progress with their subject staff. We would like all students to attend the meeting with their parent/carer. All meetings will be held online via School Cloud due to the current Covid-19 situation.

These meetings are an important way to help students make further progress as we enter this critical period of their education. Please feel free to ask the following: how your son/daughter is performing in relation to their potential; your son/daughter's strengths and achievements; the areas for development for your son/daughter; and how you can help.

Appointments can be booked via the school website anytime from 10.00am on Thursday 17 June until 2.00pm on Thursday 24 June. Please follow the link below and then click the 'Parents' Evening Booking' tab at the bottom of the school's Home Page:

We will be speaking to students during tutor time and showing them how to access School Cloud. It is very simple to use and can be accessed on a mobile phone, tablet or laptop. There is a user-friendly guide to support you during the booking process and during the evening itself, available on our website.

Yours sincerely

Assistant Head and Head of Science Faculty
