UNLOCKING YOUR CHILD'S POTENTIAL

30 June 2021

Dear Parents/Carers

I would like to take this opportunity to say how impressed I have been with the Year 7 students since taking over as their Head of Learning on 14 June 2021. It has been a pleasure to start to get to know the students within Year 7 and it has been great to witness the students happy and working hard in lessons. As a year group, their uniform and behaviour are to a high standard and I would like to commend them on how well they have adapted to the move into the science block.

To support with the transition into Year 8 in September, your son/daughter will be moving into their new tutor group from Monday 5 July 2021. This is to allow them to settle in their new tutor group and get to know their new tutor. Tutor groups have been allocated in collaboration with the current tutor team and aim to consider current friendship groups, to ensure students are in the correct tutor group to get appropriate support and guidance.

I am delighted to say that Mr Belfield, Ms Hook, Ms Marriott and Ms Hughes will remain as tutors from the current Year 7 tutor team. We are also welcoming Miss Pearce to the team who will be supporting with tutor time in the lead up to the summer break in order to familiarise herself with her tutor group ready for September. Your son/daughter will be receiving a new timetable to reflect this tutor group change; however, their teaching groups will remain the same up until the summer break.

If you would like to discuss this further then please contact me via email on kgreen@tdms.worcs.sch.uk or by phone through the school reception.

Thank you for your support and I look forward to working with you in the future.

Kind regards

Miss K Green
Year 7 Head of Learning
