

The De Montfort School

UNLOCKING YOUR CHILD'S POTENTIAL

12 July 2021

Dear Parents/Carers

Rewards and Student Leadership

We have been really pleased with the response from our students to the Behaviour for Learning policy we launched in January. The impact of this has seen calmer more focussed classrooms, with students being able to concentrate and learn without disruption. Moving forward in September, we will continue our focus on ensuring no student has their learning disrupted and that every student feels safe in school.

Next term, we will be looking at developing our student leadership programme. Student leadership is integral to our vision and commitment to students. Students have the right to a voice and to be heard. We have high aspirations for our students and believe that developing them as leaders plays a key role in community transformation and helps prepare them for life after school.

In the first instance, we will be setting up a Student Council, as well as conducting student voice surveys, to collate student opinion. Our first item on the agenda will be rewards and extra-curricular activities. We are very much looking to develop and improve our rewards system and extra-curricular offer alongside our students. We know our students are amazing and they deserve a rewards system that reflects their hard work and commitment to their learning.

If you would like to discuss this further, please do not hesitate to contact me on kgreen@tdms.worcs.sch.uk or contact me via the main reception on 01386 442060.

Kind regards

Miss K Green
Assistant Headteacher/Head of Learning Year 7
