UNLOCKING YOUR CHILD'S POTENTIAL

15 July 2021

Dear Parent/Carer

We are delighted to be offering a fantastic range of extra-curricular activities in the Autumn term across all year groups. Our drive for students to increase their attainment in lessons, is going to be matched with what happens outside of the classroom. We are very aware that students have missed out on taking part in activities and socialising with their peers over the past 12 months and so moving forward, extra-curricular will form one of the key ways in which we support our students post pandemic. Our extra-curricular programme is diverse and has a combination of additional curriculum-based subjects as well as a range of sports, arts and other activities.

Our aim is to immerse students in high culture on a daily basis and to ensure that we aren't only raising aspirations, but also equipping students with the social and cultural capital to enable them to compete. It is about instilling knowledge, sparking curiosity, building confidence, and broadening horizons.

Our extra-curricular offer will be updated every term throughout the year. In September, we will update the extra-curricular timetable. We will be offering a wide range of activities such as:

- Y7-11 Music Tech Club
- Y6 & 7 MFL Club
- Y8 Microbits
- Y10 & 11 Music Tech Club
- Sixth Form Steel Pans
- Sixth Form Power hour & EPQ
- Y6, 7 & 8 Science Club
- Y7, 8 & 9 Hegarty maths
- Y8 Cooking Club
- Y6 - 10 Netball
- Y9 - 11 Hockey
- Y6 - 11 Football
- Y6, 7 & 8 School Choir

We are very much looking forward to welcoming your child back to school in September and watching them thrive both in and outside the classroom. If you would like discuss this with me further, please do not hesitate to contact me on msandell@tdms.worcs.sch.uk or via the school number.

Yours sincerely

M Sandell
