Year 7 and 8 Food Preparation and Nutrition Practicals

Dear Parent/Carer

From Monday 1 November 2021, the school will be providing ingredients at a small cost of £5.00 per half year, for all Year 7 and Year 8 Food Preparation and Nutrition practical lessons.

The payment will cover the cost of all ingredients plus parchment paper and foil that is often needed in practical lessons. This system will help to ensure that students are fully prepared for practical lessons, help prevent the problem of forgetting ingredients and a last-minute dash to the shops. However, please may I ask that students bring a container on practical cooking days so that they may take home their delicious cooking for all to try.

The payment system will be set up by the school finance office via the Parent Pay online portal.

If your child has any specific dietary or health requirements or you wish to provide your own ingredients, please contact me on the following email. CThomas@tdms.worcs.sch.uk .

Yours sincerely

C Thomas
