## Sixth Form Open Evening

Dear Parent/Carer

We warmly invite you to attend the **Sixth Form Open Evening** on **Thursday 11 November 2021, starting at 6.00pm.**

During the evening there will be the opportunity for you to see all we have to offer Post 16, including meeting our very experienced Sixth Form teachers, viewing our excellent facilities and learning about the wide range of enrichment opportunities, first class support and guidance that we have to offer. Many of our current Sixth Form students will also be attending the evening and will be very happy to answer any questions you may have. **To avoid overcrowding you will need to book a slot to see the subjects you are interested in. Booking details will follow shortly.**

We pride ourselves on high quality teaching, where students enjoy positive relationships with teachers who really care about the progress and development of all our students. Our individualised support, small class sizes, individual mentoring and private study support ensures all our students go on to university, higher-level apprenticeships or employment.

To help the students make informed decisions about subject choices, the Open Evening will be followed up by **individual interviews** with Miss Shepperd, Head of Sixth Form, during the Spring Term.

Additionally, I would like to highlight the importance of working hard and doing well in the upcoming **Year 11 mocks**. Answering questions under pressure and testing knowledge in a subject is great practice. Performance in all subjects will be a great indicator on how students are doing now, it will help identify gaps in knowledge and develop vital exam technique leading to success in their real GCSEs. Furthermore, by securing good predicted grades, students will give themselves more options when it comes to selecting A-level and BTEC courses.

We look forward to seeing you at our Open Evening. However, if Covid cases continue to rise we may run the whole evening virtually, but will confirm this closer to the date.

Yours sincerely

E Shepperd  
Sixth Form Head of Learning
