Free School Meals – Update

Dear Parent/Carers

As you will be aware the Government has introduced the free school meal voucher scheme for schools over the October half term period with the same company used previously called Edenred. It has been confirmed that parents/carers will receive one £15 voucher per child currently eligible for free school meals, to cover the weeks' holiday. The voucher will be sent by email from Edenred to your requested email address.

If you have any questions or queries in relation to the free school meal vouchers, please do not hesitate to contact us.

Yours sincerely

J Hathaway
