Year 12 and 13 Parents' Evening via School Cloud

Dear Parent/Carer

I would like to inform you that there will be a meeting for parents/carers and students of Year 12 and 13 on Thursday 4 November from 4.30pm to 7.30pm, to enable discussion of your child's progress with their subject staff. We would like all students to attend the meeting with their parent/carer. All meetings will be held online via School Cloud due to Covid-19.

These meetings are an important way to help students make further progress as we enter this critical period of their education. Please feel free to ask the following: how your child is performing in their subject areas, their strengths and achievements; their areas for development; and how you can help.

There is also the option to book an appointment with your child's form tutor to discuss their next steps after completing their post-16 courses.

Appointments can be booked via the school website anytime from 10.00am on Monday 11 October until 2.00pm on Monday 1 November. Please follow the link below and then click the 'Parents' Evening Booking' tab at the bottom of the school's Home Page:

We will be speaking to students during tutor time and showing them how to access School Cloud. It is very simple to use and can be accessed on a mobile phone, tablet or laptop. There is a user-friendly guide to support you during the booking process and during the evening itself available on our website.

Yours sincerely
