

Year 11 Central Data Report

Dear Parents/Carers

Your child's Year 11 central data report is now available to access via Xpressions. The report contains the following information:

Summary

- **Attendance and Lates:** This figure displays the percentage attendance and number of late instances for your child for the current year. It also shows the year group average for comparison.
- **Achievement:** This figure displays the total number of achievement points your child has received for the current year. This figure includes all achievement points issued outside of lesson time. It also shows the year group average for comparison.
- **Equipment:** This figure displays the total number of incidents where your child did not have the appropriate equipment. It also shows the year group average for comparison.
- **Homework:** This figure displays the total number of incidents where your child did not complete their homework task, or meet the submission date. It also shows the year group average for comparison.
- **Other Behaviour:** This figure displays the total number of behaviour incidents your child has been involved in, excluding equipment and homework. This figure includes all behaviour incidents outside of lesson time. It also shows the year group average for comparison.

Class Breakdown

- **Achievement:** This figure displays the total number of achievement points your child has received in that subject.
- **Equipment:** This figure displays the total number of instances where your child has not had the correct equipment in that tutor time or particular subject. A score of zero is excellent as it equates to your child having all of their equipment 100% of the time. This means they are showcasing a good attitude to their learning through their organisational skills and also not wasting any lesson time by having to borrow equipment.
- **Homework:** This figure displays the total number of instances where your child has not completed a homework task, or has not met the submission date, in that subject. A score of zero is excellent as it equates to 100% of your child's homework tasks completed and submitted on time.
- **Other Behaviour:** This figure displays the total number of behaviour incidents your child has been involved in within that subject, excluding equipment and homework. A score of zero is excellent as it equates to your child concentrating on their work and putting in maximum effort at all times in 100% of their lessons.

There are 160 students in Year 11 and the year group have made an excellent start to the most important year they will have in school. We are delighted that the Year 11 students have only been issued 389 behaviour points and 9 equipment sanctions since the start of the academic year. This means, in nearly all lessons, students can learn in a disruption free environment and the vast majority are working exceptionally hard both in school and at home. Consequently, the Year 11 students have been issued 624 achievement points.

Similarly, there are 896 students in total in school. There has been a total of 1571 behaviour points issued, compared to 3873 achievement points. This highlights that the vast majority of students are working exceptionally well.

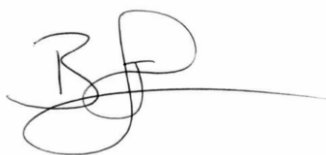

Continuing to promote impeccable behaviour and effort is vital for students' success in school.

During Year 11, you will receive another central data report (spring 1 term) in addition to a summative attainment report after the mock examinations. In this report we will also be reporting on your child's academic progress. To access the report through Xpressions, please click on the 'Xpressions' tab at the top of the TDMS website and follow the steps to access your child's report.

There will also be a parents' evening; Thursday 4 November, but please do not hesitate to contact me at school if you have any concerns or questions in the meantime.

If you have any concerns or queries regarding your child's progress then please contact me at school.

Yours sincerely
