Sixth Form Open Evening

Dear Parent/Carer

We warmly invite you to attend the **Sixth Form Open Evening** on **Thursday 11 November 2021, starting at 6.00pm. All presentations will be taking place in the main block; please enter through the bottom gate.**

I would like to draw your attention to the fact that our booking system is now up and running.

You can book into any subject to hear all about what that subject is like to study in Sixth Form and where it may take you in the future. The subject staff will talk to you about the course, what students will study and how they will be assessed. There will also be opportunity to ask questions and meet our current sixth formers during each session.

We also have representatives from the University of Worcester and local employers who will be able to give you advice and guidance on how subject choices may impact future careers choices.

Booking slots are now open and available via our main school website, or you can sign up by following this link:

During the evening there will be the opportunity for you to speak to me if you have any wider queries or questions. Additionally, we have some outside organisations who will be providing information and guidance on what other opportunities are available locally.

Students can apply for a place at our Sixth Form by completing the **online application form** on our school website (Sixth Form section). Please follow this link:

To help the students make informed decisions about subject choices, the application will be followed up by **individual interviews** with Miss Shepperd, Head of Sixth Form, during the spring term.

We look forward to seeing you at our Open Evening.

Yours sincerely
