Year 9 Parents' Evening 4.00pm – 7.00pm, Thursday 9 December 2021

Dear Parent / Carer

You are invited to attend a Year 9 Parents' Evening on Thursday 9 December from 4.00pm to 7.00pm. We would like all students to attend the meeting with their parent/carer and all meetings will be held online via MS Teams. You will be able to arrange meetings with all the subject teachers and other staff who will offer advice and guidance at this critical stage of your child's education.

Please feel free to ask the following: how your child is performing in relation to their potential; your child's strengths and achievements; the areas for development for your child; and how you can help.

To make appointments, please follow this [link](#) to make a booking via Microsoft Teams.

We believe the link between school and parents/carers has an enormous effect on student progress and from past experience that it is possible to significantly raise individual attainment levels when students are willing to work hard, act upon advice from teachers and parents/carers and use the opportunities available in school and at home.

If for any reason you are unable to attend, please let your child's form tutor know so that we may make alternative arrangements.

Yours sincerely

Claire Morton
