End of Term Arrangements 17th December 2021

Dear Parents/Carers,

On the final day of the Autumn term, the school will finish slightly earlier at 2.00pm. Any student who is unable to find their own way home may remain in school where they will be supervised.

For students that arrive at school or leave by bus, the following arrangements have been made:

- The EV24 will be on site to take the students home at 2.00pm
- The 552/553 buses will run a normal timetable, members of staff will supervise the students to catch the bus at the stop in port street at 2.30pm
- The school will transport students who normally go on the R4 bus using the minibus

Yours sincerely,

Stuart Weston
Deputy headteacher
