Working Wednesday

Dear Parents/Carers

We are really excited to let you know that we will be holding 'Working Wednesdays' from Wednesday 5 January 2022, in order to provide students with some invaluable advice and guidance on their next steps after leaving school.

We have invited a whole range of visitors from the world of work into school. These visitors will come in every Wednesday lunchtime and students can choose to come and speak to the visitors. They will be in classroom HU6.

I would highly recommend for all students from all year groups to come and see as many of our visitors as possible. Below is a table of each company and when they will be in school over the next few weeks. We will send the next schedule out closer to February half term. Please encourage your child to visit as many as possible.

5 January	Campden BRI Group (Science and technology, research, training, publications and advice services to the food, drink and allied industries)
12 January	Bredon Hill Nursey
26 January	University of Worcester
19 January	Kane Foods
2 February	Midland group training (engineering apprenticeship)
9 February	Evesham Garden Centre - weekend working advice

Yours sincerely

Miss C Watson
MAT Wide Deputy Headteacher
