Year 12 Next Steps Post 18 Options Wednesday 15th December

Dear Parents/Carers,

Preparation for university and employment is an integral part of our sixth form programme. Year 12 have recently taken part in a conference with our partner MAT schools that focused on introducing them to the many options they have post 18. To build on this and provide further information and guidance, we will be running a next steps day on Wednesday 15th December.

Students will have various sessions with the aim to prepare them for the choices they will need to make in regard to their Post 18 futures. Sessions will include applying to UCAS and apprenticeships alongside crucial information on work experience and placements. Students need to be thinking about what they would like to do next and Year 12 is the perfect time to begin considering all options. We will also signpost students to valuable resources to get any extra information they may need and what they can do now to boost their chances of securing university and apprenticeship places.

The day will run as a regular school day; however, lessons will not take place. The usual dress code will apply.

If you have any further questions please do not hesitate to contact me.

Yours sincerely

E Shepperd
Head of Sixth Form
