

Favourite Colours

A survey was done in a Year 5 class asking 20 children what their favourite colour was. Here are the results:

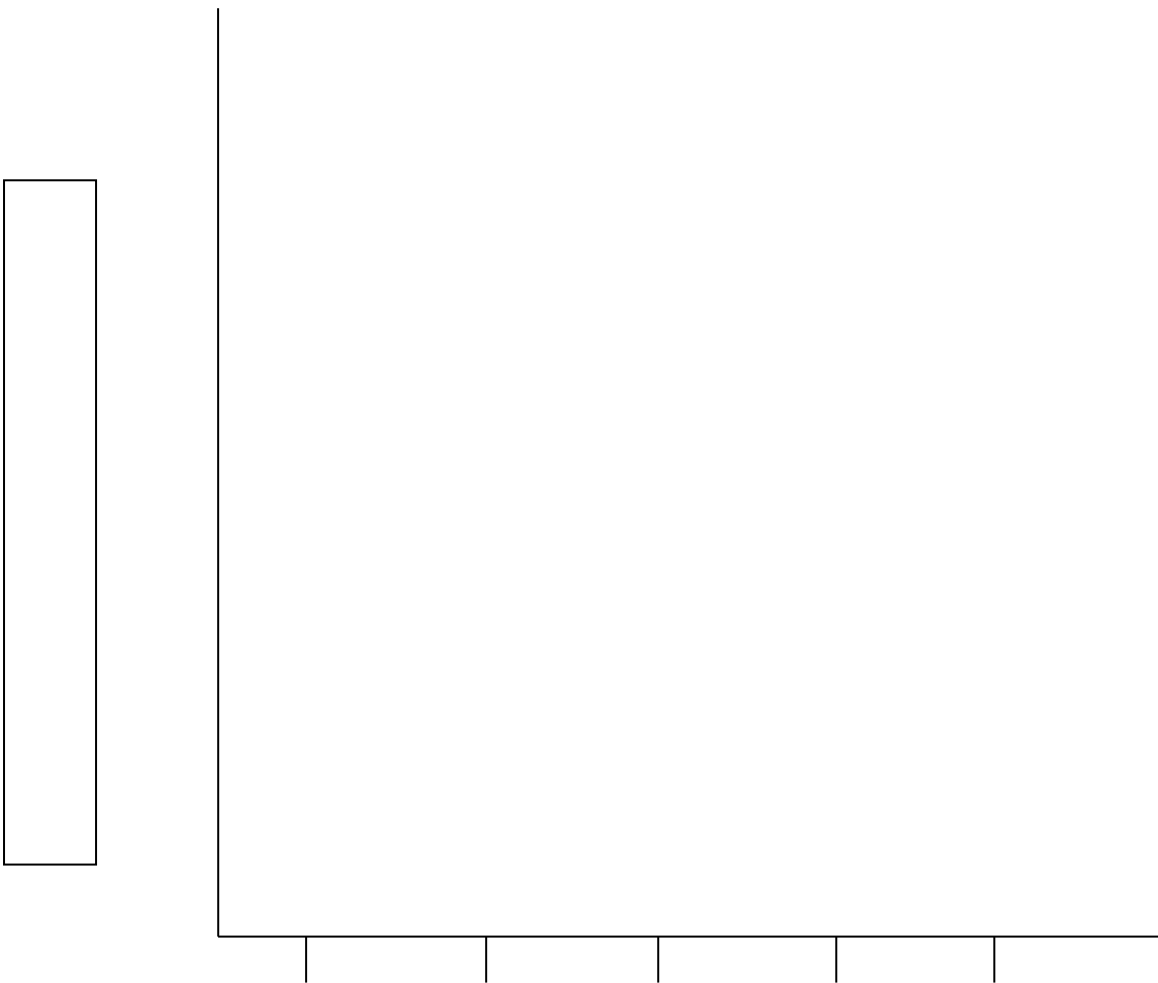

Blue	Red	Red	Pink
Green	Blue	Blue	Red
Green	Red	Red	Orange
Red	Red	Pink	Red
Blue	Green	Pink	Green

1. Put the data above into a frequency table below:

Colour	Tally	Frequency
Blue		
Green		
Red		
Orange		
Pink		

2. **Complete the bar line graph using the data.** You need to:

- Label the x and y axis
- Use a good scale so that the graph is not too big or too small
- Put a dot at the correct point and then draw the line
- Use a ruler!
