- The parent/carer of the candidate must make the appeal in writing to the examinations officer at least two weeks prior to the last externally assessed paper of the series.
- The internal process will be led by a member of the senior leadership team in conjunction with the Examination Officer. The member of the senior leadership team involved must not have been involved in the original internal assessment procedure
- The investigation will consider whether the procedures laid down by the Awarding Body and the 'Code of Practice' were adhered to.

Post exam service: Enquiries about Results (EARs)

- EARs may be requested in writing by centre staff if there are reasonable grounds for believing there has been an error in marking. This must be made within the timescales laid down by the Awarding Body concerned.
- Where a candidate request and EAR, the cost will be paid by them. All other EAR costs are paid by the requesting faculty.
- When the centre does not uphold an EAR, a candidate may apply to have an enquiry carried out. If a candidate requires this against the advice of subject staff, they will be charged.

Post-exam service: Access to Scripts (ATS)

- After the release of results, candidates may ask subject staff to request the return of papers within the exam board deadlines.
- If a result is queried, the examinations officer office, teaching staff and head of centre will investigate the feasibility of asking for a re-mark at the centre's expense.
- Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.
- Re-marks cannot be applied for once the original script has been returned.
