- Sports Centre staff**– For the purpose of this policy, the words 'Lettings Custodian' refer to any individual who undertakes lettings duties, either paid or unpaid.
- Management** – The lettings at The De Montfort School are managed by the Sports Centre Manager.

Section One – The Casual Lettings Policy

A. Introduction - Managing Facilities: Non-School Activities

- A1. The De Montfort School has much to offer to the local community through the use of its buildings and facilities. Such use of facilities can take place either during the normal school day or as is often the case, out of school hours. Equally, in making use of these facilities in a safe and effective way, the community is able to support the school in developing its' role as a vital and vibrant part of the community.
- A2. The main principles applicable to lettings are as follows:
- The De Montfort School must not subsidise the overall cost of non-school lettings from its delegated budget (individual users may be subsidised so long as the total lettings income covers all lettings costs at the end of the financial year).
 - A standard form, detailing the terms and conditions upon which lettings are made, should be completed for each letting in order to clarify respective responsibilities. (A combined application/invoice form for the purpose – Appendix 1. This should be used as a master to copy from)
- A3. The main objectives in letting the premises, are to maximise both income and community use, within the constraints of the operation of the school. All of the schools facilities are available, through the trading arm, for community use once agreement has been made as to the suitable purposes for which community groups wish to use the facilities

B. Local Authority In-Service Users & Emergencies

- B1. In extreme cases, the LA may request use of The De Montfort School facilities for 'emergency' purposes, e.g. as a Civil Emergency Rest Centre in instances such as floods etc. The De Montfort School would comply with requests for use of this nature but again, where this is necessary, the LA recognises that host schools can expect to be reimbursed costs only for such uses.

C. Safeguarding Children

- C1. The De Montfort School has a statutory duty under Section 11 of The Children Act 2004 to safeguard and promote the welfare of children. The key message being "Safeguarding children is everyone's responsibility". This means that key people and bodies must ensure two things. Firstly, that their functions are discharged having regard to the need to safeguard and promote the welfare of children, and secondly, that the services they contract out to others are also provided having regard to that need.
- C2. Furthermore, Section 175 of The Education Act 2002 requires Governing Bodies to have arrangements in place to safeguard and promote the welfare of children attending the school. All educational establishments are subject to inspection with regard to their responsibility to safeguard and promote the welfare of children. Performance is judged on procedures and their effectiveness in terms of safeguarding children from harm.
- C3. Although in almost all casual lettings cases The De Montfort School will not actually be contracting the services of hirers, it is nonetheless allowing its premises to be used for activities that may involve children. Therefore, under this legislation the School has a duty to ensure, as far as is reasonable, that these activities also comply with safeguarding responsibilities. Parents and carers may reasonably assume that because an activity is taking place within a school setting, it has therefore been checked by the School for safeguarding purposes.
- C4. 'Working Together to Safeguard Children' outlines the "common features" that all organisations that provide services for, or work with children, must have. These include policies and procedures for safeguarding and promoting the welfare of children, a designated person for safeguarding/child protection, safe recruitment practices, including arrangements for checks and renewals (DBS) on staff and volunteers, procedures for dealing with allegations of abuse against staff and volunteers, training for staff and volunteers and a culture of listening to and engaging with children.
- C5. All adults whether paid or voluntary, have a duty to keep young people safe and to protect them from sexual, physical, and emotional harm. Children have a right to be safe and to be treated with respect and dignity. It follows that trusted adults are expected to take reasonable steps to ensure the safety and well-being of children. Failure to do so may be regarded as neglect. Therefore, in allowing hirers use of the school premises, The De Montfort School must have regard to its own policies in relation to safeguarding children.
- C6. Upon receipt of applications from hirers whose events specifically involve the attendance of children, e.g. Cubs and Brownies etc., The De Montfort School will request to see and retain copies of relevant safeguarding documentation as proof that hirers and their staff comply with such measures. Thereafter, for

more regular bookings, the school will expect hirers to monitor expiry dates of such documentation, and to be supplied with further proof of renewals where and when appropriate, upon demand.

- C7. The The De Montfort School can reasonably assume that groups holding valid recognitions, such as FA Charter Standards, Club Mark, or other similar accreditations, have adequate safeguarding policies and practices in place. However, proof of such will still be requested. In the case of groups who claim to be in the process of striving to achieve such accreditations, the school will contact relevant governing body organizations to clarify this status.
- C8. In allowing use of school premises, the onus must remain upon the hirer to ensure that safeguarding measures are maintained throughout. This is something that organisations are made aware of under safeguarding legislation and through their own organisational governing body, if applicable. This responsibility is also re-enforced within the conditions of hire (see Appendix 1).
- C9. The Sports Centre staff will remain on site for the duration of the letting. The De Montfort School will look to suspend such events where, in the opinion of the directors, genuine causes of concern have been raised. The school will then also need to consider taking other appropriate action, in line with its own safeguarding policies, in such cases. Use of the premises will only be allowed to continue, once the directors are satisfied that matters have been addressed accordingly, having regard to school safeguarding policies. The school will also consider reporting any concerns about an individual's suitability to work with children and young people to Children's Social Care and to any relevant bodies governing specific hiring groups, e.g. the Football Association in the case of a junior football club.
- C10. In the case of 'one off' children's events, for example, a private birthday party, safeguarding legislation exempts such uses from the processes mentioned above and therefore hirers need not be expected to provide the school with any safeguarding documentation, etc. However, the school will still need to satisfy itself that such events will nonetheless be properly managed, e.g. appropriate child/adult supervision ratios and suitable male/female adult mix.
- C11. Given the seriousness surrounding child welfare, it is not unreasonable for the school to seek satisfactory responses to further enquiries it may wish to make in relation to the use of premises by any such organizations/individuals. In allowing use, the school must be able to satisfy itself that such events are properly run and that the welfare of children will not be compromised.
- C12. Further advice relating to the supervising of children in shower & changing areas is available from the Lettings Officer.

D. Wrap-Around Care

- D1. The use of the school by wrap-around care groups run either by volunteers or by private bodies are to be considered as special cases. Use of the school premises by groups of this nature is best regulated by way of a lease or licence.
- D2. Directors need to define the surplus accommodation that can be made available before entering into an agreement with such a group, and in doing so must consider the likely fluctuations in accommodation needs of the school in the future.
- D3. Any accommodation offered should:
- be located so as to cause minimum interference with the normal running of the school;
 - include adequate storage facilities, especially if the room is to be used by the school at other times; If possible include use of safe outdoor play space - times to be negotiated with the Sports Centre Manager.
- D4. Any group must:
- be registered with Ofsted, and the premises approved by the Fire Prevention Officer for use by a pre-school group, and be subject to the conditions of hire, including having adequate insurance cover;
 - be able to provide evidence of membership of a relevant professional body, and also provide evidence of having appropriate full insurance cover.
- D5. If a private body wishes to purchase an additional building for wrap around care purposes to be located on the school site, such a proposal can be considered provided the proposal does not interfere with the normal running of the school. In such cases, there needs to be a formal lease and a ground rent will be payable to

the school. The services to such a building would need to be separated or clearly identified so that the school's budget is not charged.

E. Holiday Play-Schemes

E1. Holiday play-schemes may be treated as short-term casual lettings outside normal school hours. However, such groups are still required to comply with the requirements identified in C & D above.

F. Security

F1. It is most essential that the security of the school is not prejudiced.

F2. To achieve the necessary level of security:

- A Sports Centre staff(ideally a caretaker) should open the premises and secure them at the end of the letting - such duties can be incorporated into normal duties or, if outside normal working hours, payments can be made. (see Appendix 5);
- Keys should, on no account, be handed to non-employees or information relating to security systems divulged;
- If the terms and conditions have been used and something is stolen or damaged, legally there should be no difficulty, as the user will have indemnified the school against loss – the school should ask to see the insurance policy of the users and may wish to insist on a returnable deposit, especially in the case of one-off lettings.

G. Health and Safety

G1. Health and safety legislation and the requirements of the schools Health and Safety Policy apply at all times, including those when premises are opened up to members of the community. It is essential that every letting is made using the standard terms and conditions, copies of which are printed on the back of the combined application/invoice (See Appendix 1).

G2. Given the possibility of an accident or injury to any outside user, the following will need to be considered:

- Access to a telephone and a first aid box.
- Whether the hirers and the school are adequately covered by insurance.
- The hirers will need to be made aware of the procedure to follow in the event of fire.
- All accidents and near misses on the premises, whether to hirers or the public, must be reported using form RIDDOR 3.
- A Public Entertainment Licence is usually necessary for any events involving performances (drama, music or dancing) whether a charge is made or not. This is held by the school for events held up until 10pm all events concluding after 10pm will require specific license through Wychavon District Council.
- School equipment is not used by hirers, unless prior permission is granted. If permission is granted liability has to assured by both the school and the hirer.
- Specific advice on the use of stage lighting and sound equipment by hirers will be given by TDMS School technician support on confirmation of booking.

G3. Risk Assessment - The school must provide copies of risk assessments for any equipment or facilities that are likely to affect the Health and Safety of the hirers. Similarly, hirers must be prepared to present risk assessments appropriate to any equipment and activities being carried out on the school's premises.

Section Two – The Administration of Casual Lettings

H. Introduction

H1. A standard application form/invoice (Appendix 1), incorporating conditions of hire, claim forms, etc, is to be used for all lettings.

I. Conditions of Hire

I1. A full list of conditions of hire appears in Appendix 1 and also appears on the reverse of the application form/invoice Form. The school may add to these conditions by letter to the hirer, but none of the conditions will be deleted as they are designed to ensure protection against any incident that may occur.

J. Insurance

J1. Hirers' attention is drawn to the Conditions of Hire, especially the paragraphs dealing with insurance, indemnity, and liability, with a reminder that hirers are required to have appropriate public liability insurance cover.

J2. The school must see a copy of the certificate of insurance of the hirer, a copy will be kept. The school will ensure that at the time of inspection the certificate of insurance is current at the time of the letting.

J3. Where the hiring organisation is unable to confirm that it has its own public liability insurance cover to a minimum level of £1 million, it is a requirement that the hirer should be covered by the school's policy for hirers.

Where this is the case a premium of 10% of the hiring fee, with a minimum charge of £2.00 per event, must be paid with the hiring fee.

Organisations such as the Friends' Associations, etc., are not covered for their activities by the insurance. As in the case of any other hirer the Friends' Associations etc. must either have their own policy cover, or pay the additional premium in order to benefit from the school's policy.

The following must have their own Public Liability Insurance:

- Political Parties;
- Professional entertainment groups/individuals;
- Groups or individuals whose activities involve the generation of heat (blow torches, blow lamps, heat generating equipment);
- Martial Arts groups of all classifications.

In addition for sporting activity groups the school's insurance does not cover personal injury or property damage suffered by one participant that was caused by another participant.

K. Charges

K1. Charges will be calculated for each letting and the hirer will be informed of the charges to be made in each case, when the booking is confirmed.

K2. When deciding charging levels, the schools will consider heating, lighting, caretaking, maintenance and repair costs plus any administrative costs, e.g. stationery and postage, etc., if relevant. See Appendix 2.

L. Combined Application/Invoice Form (page 9)

L1. All applicants for the hire of facilities at the school must complete a lettings application form/invoice, signing the declaration that the applicant:

- accepts the conditions of hire and responsibility for the payment of the hire fees;
- indemnifies the school against any incident;
- either has current Public Liability insurance cover or wishes to be covered under the school's policy; and
- has adequate Safeguarding Children documentation – where appropriate

L2. It is essential that every letting is made using the school's standard terms and conditions (Appendix 1), copies of which are printed on the back of the hirer's copy of the combined application form/invoice.

L3. Any communications about individual lettings should be made directly between the school and hirers.

M. Confirmation of booking and payment of hire charges

- M1. On receipt of the completed application form, the charges should be entered onto the School Booking system as follows:
- Charges at the level determined by the school for the facilities hired.
 - Where a hirer is unable to provide details of current public liability insurance cover, it is necessary to include the hirer on the school's third party hirers' policy. To do so, the insurance premium should be calculated at 10% of the total hiring charge with the minimum charge being £2.00 per event. The insurance premium element of the school's lettings income must be identified separately on bank/giro paying-in slips.
 - There are exceptions when the school's insurance policy cannot apply. These are in respect of lettings to political parties, to professional entertainment promotions; to groups using heat generating equipment and to martial arts groups (see paragraph J3). In such instances it is essential that hirers provide their own insurance cover and provide policy details to the school as shown in Section C of the application/invoice form.
 - In the case of individual new hiring's (for instance for a wedding reception) the school will request an additional deposit payment to cover the possibility of any additional costs (for instance to cover possible loss or breakage of school contents or equipment, or extra cleaning costs). Such a deposit will be included in the initial payment required from the hirer, shown where indicated on the application/invoice form.
- M2. It is important to obtain payment for the hiring at the time the booking is made whenever possible.
- M3. All payments for lettings should be made by BACS quoting the reference number given on the invoice. Please note that we do not accept cheques.
- M4. At the time the hirer pays the letting fees, a receipt should be issued.
- M5. The application form/invoice should be retained as the school's record of the letting. A second copy of the form should be returned to the applicant for retention as confirmation of the booking, ensuring the reverse side of the form is also copied providing the applicant with the terms and conditions of hiring.
- M6. For lettings where payment is received in arrears an invoice should be raised not less than monthly. Any payment defaults should be reported to the Sports Centre Manager.
- M7. A new application/invoice form must be completed for each hirer once a year or, whenever hiring charges are revised.
- M8. The form constitutes an official company invoice for a one-off hiring or for the first of any series of hiring's to which the form relates.
- M9. In circumstances where further charges are required because the hirer has used premises more extensively than originally envisaged when the letting was booked, the school should send a further application/invoice form to the hirer detailing the additional charges and requesting payment by return.

N. Difficulties in Securing Payment

- N1. In the case of hiring arrangements where payment is not made in advance, the school should arrange for payment to be made as soon as possible, normally within 7 days, and certainly no later than one month from the date of the actual letting. If repeated requests for payment prove unsuccessful, no further letting should be allowed to that hirer. It may be considered desirable to initiate legal action to recover a debt.

Such a deposit will be returnable after the hiring provided there has not been any breach of Conditions 10 and 20.

The hirer shall indemnify the school against any infringement of copyright which may occur during the hiring.

10. The hirer shall take good care of and shall not cause any damage or permit or suffer any damage to be done to the hired premises or to any part or parts thereof or to any fittings, equipment or other property therein and shall make good and pay for the damage thereto (including accidental damage) caused by any act of neglect of the hirer, the hirer's servants, agents or any person resorting to the hired premises by reason of the use of the hired premises by the hirer.

It is the responsibility of the hirer to provide cloakroom attendants, and school employees are not permitted to assist in the cloakrooms.

12. Appendix 3

Sports Centre Staff Duties

A. Before the Letting

- A1. The sports centre staff must be satisfied that approval for the letting has been given by the Sports Centre Manager for instance, by confirming that the relevant lettings application form has been completed by the hirer.
- A2. The Sports Centre staff must also ensure that 'double bookings' are avoided, bringing such incidents to the attention of the Sports Centre Manager, as soon as possible.
- A3. The accommodation requested must be made available to the hirer, at the time agreed. If chairs have been requested, these too should be made ready for use, unless it has been agreed with the hirer that they will set out and put away the chairs themselves.
- A4. The Sports Centre staff should check the accommodation to ensure that there is no damage/theft to the accommodation/equipment prior to the letting taking place.
- A5. Unless prior agreement has been reached, hirers will not generally be allowed to enter the premises before the stipulated time. If such agreements have been made, the Sports Centre staff should note the exact time of entry.

B. During the Letting

- B1. The Sports Centre staff will remain on site for the duration of the letting.

C. After the Letting

- C1. The Sports Centre staff must ensure that the facilities have been left in a clean and tidy state by the hirer, ready for use by the school. Should the premises not be left in a satisfactory state by the hirer, then the Sports Centre staff may claim additional cleaning time, the cost of which will be passed on to the hirer.
- C2. The Sports Centre staff should ensure that all lights are switched off, windows/doors locked, the premises are totally vacated and secure (including the activation of security systems, where appropriate) after the letting. The Sports Centre staff should also check the school accommodation/equipment again to ensure that no theft/damage has occurred during the letting.
- C3. If the hirer is still on the premises beyond the stipulated expiry time of the letting, the Sports Centre staff may claim up to the actual time the hirer vacated the premises.
- C4. The Sports Centre staff must also ensure that the premises were used by the stipulated hirer and that sub-letting of the premises has not occurred.

D. Cancellation

- D1. The conditions for the Hire of School Premises (Condition No.35), refers to cancellation of bookings and requests that hirers must give at least 3 clear working day's written notice for the cancellation of a single booking and at least 1 month's written notice for the cancellation of a regular booking. (A working day is classed as Monday to Friday 9am to 5pm excluding bank holidays.)

If a cancellation is made without adequate notice, the Sports Centre staff may claim for the letting as usual and any subsequent costs will be passed on to the hirer.

General Notes

- 1. The letting arrangement applies only to periods outside the Lettings Custodian's normal working time.
- 2. No hiring fees shall be paid directly to the Lettings Custodian.
