THERE IS SUCH A THING AS A **FREE LUNCH!**

You could be eligible for **free school meals**.

To check if you're eligible simply search "free school meals" and click on the government website!

No special treatment, you just pay like you normally would using your fingerprint!

The screenshot shows the 'Apply for free school meals' page. At the top, there is a breadcrumb trail: Home > Childcare and parenting > Schools and education. The main heading is 'Apply for free school meals'. Below this, it says: 'Check if your child can get free school meals in England and find out how to apply on your local authority's website.' It then provides links for different regions: 'There's a different process to apply for [free school meals in Northern Ireland](#), [free school meals in Scotland](#), or [free school meals in Wales](#).' A paragraph follows: 'If your child is eligible for free school meals, they'll also qualify for the [Holiday Activity and Food Programme](#). Food vouchers may also be available through the [Household Support Fund](#). Find out more by [contacting your local council](#).' There is a section for 'Enter a postcode' with the example 'SW1A 2AA' and a green button labeled 'Find your local council'. Below this is a link: 'Find a postcode on Royal Mail's postcode finder'. At the bottom, it says 'Your child may be able to get free school meals if you get any of the following:' followed by a list: 'Income Support', 'income-based Jobseeker's Allowance', and 'income-related...'. On the right side, there is a 'Related content' section with links: 'Help with home to school transport' and 'School meals - food standards'.
